APRIL 2017: LATEST GREATER GREEN VALLEY CERT NEWS

MONTHLY MEETING :: CERT Meeting April 26, 2017 (Topic) Trailer Exercise

This month we'll get out of the classroom to do some hands-on training with the CERT mount-out trailer. We'll meet in the training room at 6:00 p.m., have a short business meeting, and then walk to the fire station next to the Training Center. Thanks to Elliot Klahr, the trailer will be there. Every time we open the trailer and haul out the contents we learn something. After the September exercise participants identified equipment shortfalls and all of those have been taken care of. What remains to be done is to is to prepare a diagram and labels to help quickly locate items needed in a real emergency. We'll work on that.
