JULY 2017: LATEST GREATER GREEN VALLEY CERT NEWS

MONTHLY MEETING ::: CERT “Special Training” July 18th and July 19th: CPR/AED Training Instead of a regular meeting this month we are offering a July Special—CPR/AED training! There will be two classes: Tuesday, July 18th at 2:00 p.m.; and Wednesday July 19th at 5:00 p.m. Both will be held at the GFVD Training Center and will take no longer than 2 hours. This is FREE training with hands-on practice designed to give non-medical people the confidence to perform CPR (compression only and compression with breaths) if faced with such an emergency. We can accommodate only 10 students per class so advanced registration is required. If you would like to attend please use the «Contact Us» page on this site to register with your preferred date.

CERT UPDATE:

July was a good month for Greater Green Valley CERT. While we did not hold a monthly meeting, we offered CPR/AED training on July 19 th . The CPR/AED training was free and instructed by a CERT member, Barry Weissman. Excellent training, very well done. Then on July 29 th the CERT trailer and CERT members were attractions at the Community Preparedness Fair at the Sahuarita LDS Church. Two CERT members, Don and Sue Thompson, organized the event and it was a pronounced success. With the trailer in the parking lot and an information table inside the church (where it was much cooler) CERT was a notable presence, attracting 30 visitors to sign-up for more information about how to join. Kudos to the CERT members who participated: Rena Capulli, Karl Holmstrom, Alan Hutton, Jamee Khan, Elliot Khlar, John & Peggy McGee, Carole Petty, Mary Anne Stanford, Ray Trombino and Barry Weissman. There's a full agenda, including plans to organize a Teen CERT group, hold a CERT Basic Course in October, participate in the White Elephant parade and much more. By the way, we are looking for candidates for election to the Council—consider volunteering!
